

Beaufort County Senior Leadership 2020

“A Voyage of Discovery”

“A 14 day field trip for big kids.....”

- New to Beaufort, wanting to meet people, and get involved?
- A native who wants to learn more about your Lowcountry community?
- Looking for ideas about where you might fit within your town?

This is the 27th consecutive year for this exceptional program. The 14 week learning adventure (all day, every Wednesday, starting January 8), will be indoors and out, with over 100 speakers and up to 28 different venues. Learn about the Beaufort County's Lowcountry: its history, its heritage and culture, local and county government, health and public services, our military ties, our responsibilities to the environment, and lots more.

You will take walking tours, travel by car, buses, and boats! This respected group has been privileged to have private audiences with county leaders and spend days with local legends. The website contains more information and the application form. The January 2020 class is limited to 35 people but there are still spaces available.
