

EDUCATOR

Appreciation Event

THURSDAY, AUGUST 10 | 3:30 PM - 6:00 PM
WEEZIE EDUCATION PAVILION AT THE MARITIME CENTER IN OKATIE

Event Overview

The Beaufort Chamber and members know how instrumental educators are in our community. They are teaching the next generation, and have a key role in workforce development and building economic prosperity for decades to come.

Show your support for local educators by helping kick off the new school year in style at the Educator Appreciation Reception. Sponsors will have an opportunity to interact with hundreds of teachers and school personnel from business display tables. A short program will feature school district leadership, key education partners and recognize education award recipients.

The new Weezie Educational Pavilion is on the campus of Port Royal Sound Foundation's Maritime Center in Okatie (adjacent to Lemon Island bridge on Highway 170.)

Expo Format

As teachers end their day of teaching, training, or classroom setup, they will arrive intermittently at the event. The hotel ballroom will be set with rows of display tables for sponsors to interact with attendees. Food and drink stations featuring appetizers, desserts and drinks will be spread across the room. Mixed, limited seating will encourage attendees to circulate.

We strongly encourage businesses share information and gratitude. Each expo participant will be provided a 6' table and can customize their own display.

Expo set-up timeframe is 1:30-2:30pm and
break-down timeframe is 6:00-6:30pm.

Educators are essential workers and important local customers. A large percentage of educators are the primary household spending decision-makers.

This is your chance to thank teachers and introduce your business products/services to a large demographic.

The Chamber will provide food, drinks and a special tote bag. Each expo station is asked to donate an item from the Teacher Wish list on the application. Let's help teachers spend less out of their own pockets.

This event is free and open to teachers and school personnel in our regions' public and private schools. Only educators and sponsors will be admitted. School leaders and School Board of Directors will also be guests of honor.

We can't say

Thank you!

enough, but we can try!
